Présentation

The group gîte La Potiche is located 10 minutes from Clécy, 500m from the market town of Pont-d'Ouille and the Leisure Centre, on the banks of the river Le Noireau.

on the banks of the River Noireau.

This former 19th century textile factory was restored in 1987 and converted into a group gîte.

The gîte is open from March to January and can accommodate 36 people in rooms with 4 to 8 beds.

La Potiche gîte is located next to the Pont d'Ouille slalom basin and has direct, private access to the Pont d'Ouille leisure centre, making it ideal accommodation for school groups or sports clubs (kayakers or not).

Fully equipped for community use, the La Potiche gîte has a large activity room, a 60m² dining room, a fully-equipped kitchen, as well as large green spaces where you can enjoy the river banks.

During your stay, take advantage of the many activities on offer at the leisure centre: canoeing from Pont-d'Ouille to Clécy, accrobranche at La Roche d'Oëtre or orienteering...

A real cocktail of leisure activities to make your stay a success!
