Présentation

In the heart of the Suisse Normande, in the typical hamlet of Rouvrou, near the natural site of the Roche d'Oëtre, a great place for hiking, Annie has made an old barn a charming and comfortable house fully equipped. On the route of the VELOFRANCETTE, you can make a step and put your bikes in a closed shelter. 4 km from the leisure center of Pont d'Ouilly, sports activities are numerous, horseback riding nearby with walks in the forest, not to mention the museums, historical sites such as the castle of William the conqueror, the landing beaches and the Memorial of Caen.
Town house in a small street with raised terrace: living room with kitchen and living room (open or closed fireplace with wood supply included), bedroom (1 bed 2 persons 160 cm, possibility bed and cot), bathroom water (walk-in shower) and separate wc. Floor: landing, bedroom (bed 2 persons 180 cm transformable bed trundle), bathroom with toilet. Electric heating. Local bikes or motorcycles with laundry on the ground floor.
