Présentation

A former village cooking place until the 100 Years War, the cottage is perfect for a couple with possibly a young child. The garden is sumptuous and designed by Claude Serais with different spaces for seclusion. Located in the heart of the village, your host will tell you with pleasure the history of La Carneille, through why not a historical hike, through its wood full of history and its fishing pond … and you will end without doubt the evening with a game of Russian billiards in a friendly atmosphere! Farmers' market on the first Sunday of the month in the village. Exhibition in the garden "La Cavée des Artistes " every 1st weekend in July. Independent 15th century house with a few steps: living room with kitchen area (combined microwave oven), shower room with wc (towels provided). Upstairs: landing bedroom (double bed 160 x 200 cm separable). Adjoining room opening onto the garden with dining table. Electric heating included. Common laundry room. Garden with trees and flowers and adjoining car park shared with the owner. Private recreational fishing pond with wood and picnic tables 1 km away (accessible on request). Backyard birds on site and at the pond.
