## Présentation

La Bourdonnière is an old farm where each building had a function: the stable, the barn, the bakehouse, etc. around the dwelling house. Michèle and Jean-Pierre rehabilitated one of them in September 2021 to make it a charming, very comfortable and bright cottage. Surrounded by greenery with many apple trees, pear trees and a magnificent bower that adorns the place, you will enjoy the on-site hiking trail and the shops of the small village of Carneille 800 meters away. Ideally located for discovering the Suisse Normande and on the Véloroutes route. Baby equipment available on request: High chair / travel cot / bathtub / changing mat / potty. Independent country house within a 1 ha property shared with the owners, with electric heating and wood included. Ground floor: living room with lounge area (TV, stove) and fully equipped kitchen, separate toilet. Attic floor: bedroom (double bed 140 x 190 cm, study) with external staircase, bedroom (2 single beds 90 x 190 cm), bathroom with shower cubicle and wc. Garage for bicycles or motorcycles. Self-supporting swimming pool (above ground) in season, sandpit and outdoor games for children. Unfenced wooded garden with pond.
