Présentation

Located 9km from Domfront-en-Poiraie, near the Andaines Forest, L'Oisiveraie welcomes you in the middle of the countryside, in a green and calm setting. Here, rest and good food are the key words. Only 85km from Mont Saint-Michel and 130km from Saint-Malo, the Atlantic coast will make you leave the land. From Champsecret at 3,5km, you can reach the Mont Saint-Michel in 4 days of walking with the association Le Sentier. For cycling enthusiasts, the Voie Verte and the Vélo Francette will allow you to cycle through the hills of the region. During the nice days, the lake of La Ferté-Macé will welcome your swims. If you are fond of spa, you can relax at the thermal baths of Bagnoles-de-l'Orne. The region also abounds in culinary specialties. You will taste its cheeses, cider, perry and calvados.

The suite is completely independent. It includes a 15m² bedroom, a shower room with separate toilet (dry toilet) and a small living room with a sofa bed for one person. A child's cot can be requested. A small balcony is at your disposal. There is also a common terrace with a brazier in the garden.
