Présentation

Enjoy an elegant and central accommodation, entirely renovated with a careful decoration and quality materials. Experience a stay in the heart of a former bank of France! The only Haussmannian building in the city ideally located in the city center. At 600 meters from the Castle and its 26 hectares park. Shops within walking distance, and free parking in front of the apartment. You can enjoy all the activities of the Suisse Normande at 10 km and its remarkable views. The access on the first floor, the Studio offers a height under ceiling of 3m70 offers a beautiful volume.

The bathroom offers a large shower with a well of natural light through glass bricks. The sink cabinet is equipped with mirrors and plugs. The kitchen is fully equipped and functional. The office area is spacious and bright. The apartment is equipped with many storage and equipment. To relax, an armchair and a sofa will welcome you for moments of reading or television. The television set measures 55 inches for the pleasure of the cinephiles. The internet access is optimized by the fiber. The access on the first floor allows a total independence with the rest of the building.
