Présentation

In the heart of the Suisse Normande region, 200m from the GR 226, in the verdant setting of a « mini-farm », the 3-star Gîte des Chapelles is equipped with all modern comforts to make the most of your stay. Bright and contemporary, this 95 m2 character house can accommodate 6 people. You'll also enjoy a private terrace with lawn, garden furniture and barbecue.
Your hosts are at your disposal to make your stay in the Montagnes de Normandie as pleasant as possible. They will also be happy to share their passion with you: take a stroll through Dominique's permaculture vegetable garden to discover this natural ecosystem, or observe the world of beekeeping, where Jean-Claude's honey will delight your taste buds.
