Présentation

Welcome to our 19th-century craftsman's house, home of a bootmaker and spinning loom, now Vélo&RandoFlers at Bénédicte's.

As the name suggests, our passion is cycling and hiking (you can store your bikes and equipment in a closed room). You'll find everything you need to enjoy a pleasant stay and discover the Bocage and Suisse Normande regions.

The house is located in the heart of the town, between the market square and the entrance to the château park. Shops, restaurants, the train station and leisure facilities (swimming pool, cinema, bowling, etc.) are all nearby. With numerous hiking trails and the Vélofrancette nearby, it's easy to find the best little roads and paths in Flers.

Ground floor: large open-plan kitchen with 2 separate tables. Cellar with games and bike storage. 1st floor: One suite (up to 4 people): bedroom with comfortable bedding, closet, sitting area with top-of-the-range convertible sofa and TV, bathroom with shower, WC. 2nd floor: One suite (2 people): bedroom with comfortable bedding, sitting area with sofa and TV (can be converted for children), closet, bathroom with shower, separate WC. Outside: Terrace, garden furniture, table soccer, darts.
