Présentation

Bénédicte and Sébastien welcome you to this charming house in the heart of the village, below the old butter market. The icing on the cake is a massage room, available on request (extra charge). You can schedule a wellness massage session with Sébastien, who can also teach you how to massage your partner. Discover the work of Bénédicte, a craftswoman specializing in furniture painting and folk art motifs. A superb village of character for lovers of architectural heritage! The village of La Carneille is built on either side of the river La Gine. In the heart of the Suisse Normande region, it features a unique gorge and has preserved a fine architectural ensemble, with 17th and 18th century houses, narrow streets, a church with a remarkable campanile and an old butter market. Follow the 1.7 km « La Carneille en Histoire? trail, and let yourself be immersed in the stories, big and small, told at the 11 desks along the way. Whether you're a nature lover or a sportsman, come and discover the Roche d'Oëtre natural site in the heart of Norman Switzerland.
