## Présentation

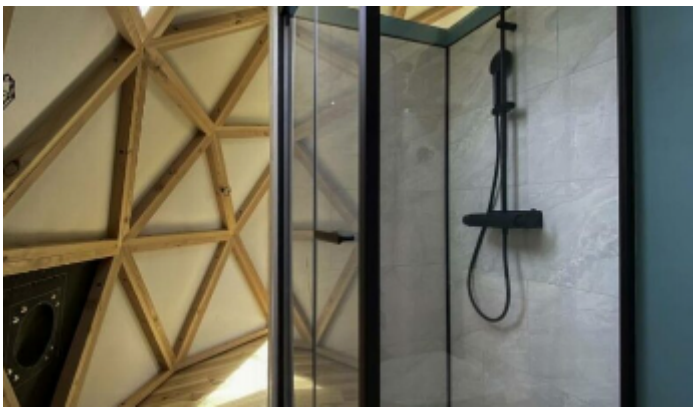

A real cocoon with a geodesic shape! Facing due west, you can admire the sunsets over the bocage but also the starry nights. The upper part of the dome opens for more comfort. Aurore will make you taste the saffron that she produces in Burgundy. She offers you the chance to enjoy yoga sessions given by a qualified professional 400 meters away, as well as massages (by reservation). Just 4 km away: shops and restaurants, train station, greenway and nature reserve « le marais du Grand Hazé ». 11 km away: leisure center of the Rabodanges lake (supervised swimming in summer, water skiing, canoeing, electric boats, towed buoys, fishing). Unusual 20 m² wooden frame dome, made of canvas and insulated with wool: Double bed 160 x 200 cm, kettle and coffee machine, baby bed on request, sink, shower cubicle and toilet. Raised wooden terrace with spa. 4G network. Heating by reversible air conditioning. All-inclusive formula with sheets, towels and breakfast. Optional table d’hôtes on reservation. Partially enclosed shared garden of the owners, with a very nice and very discreet Golden Retriver dog.
