## Présentation

It’s said that the white rabbit has settled in the heart of green, rolling Suisse-Normande at Menil-Hubert-sur-Orne, not far from La Roche d’Oëtre and Pont d’Ouilly. On a 4-hectare property, in the shade of tall oak trees, he invites those with a childlike spirit to come and discover his wonderful world: a small independent cottage with a surprising 28m2 surface area, decorated in the theme of Alice in Wonderland and equipped with every comfort, kitchenette with dining area, double bed 160×200, shower room and toilet. Open terrace with private spa and sauna/hammam. Outdoor table and garden furniture. Breakfast delivered in a basket in the morning.
