Présentation

Farmers, organic, we are delighted to welcome you to our small farmer's campsite, a cultural space (grass, hedges, pear trees…) simply equipped, rustic, clean, made with raw materials, furnished with secondary objects.
2 points which are our priority: the respect of the natural space and the creation of human links.
Passages restricted in number of people in the sanitary facilities.
Access to sinks limited to one person
communal areas disinfected twice a day and provision of disinfectant and soap in various areas of the communal areas.
