Présentation

Immerse yourself in the heart of Normandy nature by staying at the Gîte de la Nolière, a warm and friendly place, ideal for vacations with family, friends or as a couple. Come and meet our llamas, enjoy direct access to the Voie Romaine trail and discover the region's picturesque villages and verdant landscapes. The gîte sleeps 6-8 people and comprises: 3 bedrooms with double beds, a sofa bed, a bathroom with walk-in shower, a separate toilet, a living/dining room with fully-equipped kitchen, as well as a laundry room, a garage and a garden with terrace. Located just a few kilometers from Pont d'Ouilly, Les Roches d'Oëtre, Clécy and Lac de Rabodanges, you can easily take advantage of local activities such as hiking, horseback riding, canoeing/kayaking, mountain biking, accrobranche, fishing and water sports. Wellness enthusiasts can also visit the thermal baths at Bagnoles de l'Orne, or test their luck at the casino. We look forward to welcoming you.
