Présentation

Treat yourself to a timeless getaway in the heart of Swiss Normandy, in our treehouse nestled in the middle of an oak forest. A peaceful place, ideal for recharging your batteries, disconnecting from everyday life, and enjoying the tranquility and beauty of the surrounding landscapes.
To make your stay even more authentic, we invite you to explore our dairy farm. You can help care for the animals and watch the cows being milked, either in the evening from 5:30 p.m. to 6:30 p.m. or in the morning from 6:30 a.m. to 7:30 a.m.
When you wake up, take your breakfast basket up to the terrace and enjoy a special moment surrounded by nature, lulled by birdsong and the tranquility of the surroundings.
Built entirely of wood, the cabin offers all the comforts needed for a unique experience. It is equipped with a double bed, a dry toilet, and a terrace overlooking the oak trees. True to the spirit of disconnecting from the outside world, it has neither running water nor electricity. However, a small solar panel provides lighting and allows you to charge your cell phones.
Showers and restrooms are available nearby.
Whether you're looking to relax, enjoy a romantic getaway, or immerse yourself in nature, come enjoy a simple, authentic, and unforgettable experience, getting up close to farm life in the heart ...
