Présentation

The spit made up of 50% veal and 50% turkey is prepared on the spot. Open every day, you will have the possibility to have it delivered to your home if you buy 2 kebabs or more. The Bosphorus, the authentic taste of Turkey! Artisanal kebab.
Places disinfected with hydro-alcoholic gel and gestures barriers to be respected for all whether we are restaurateurs or customers who will have to arrive with their masks and during their meal remove it, to move to the toilet, however not obliged to wear it in the terrace.
