Présentation

In a warm, historical and unavoidable setting in the Orne bocage, the Bar des Rhodos offers a menu of buckwheat pancakes, crepes, homemade ice creams and other sweet treats, all homemade from fresh and local products.

To ensure a moment of relaxation in this idyllic setting, the Bar des Rhodos provides the loan of outdoor games (shuffleboard, Mølky ...). A space is provided so that your children can enjoy a book or a board game.

In addition to these services, you can also rent equipment for the mini-golf course next door.

Open all year round, 7 days a week from 11am to 9pm.

The place is covered by the Wifi.
